EDUCATION

The National Institute of Engineering

B.E , Computer Science and Engineering ; CGPA: 8.56

Mysore, Karnataka

2022 – 2026

Expert PU College

PUC ; Percentage: 97.16%

Mangalore, Karnataka

2022

Coorg Public School

10th (ICSE) ; Percentage: 94%

Gonikoppal(Coorg), Karnataka

2020

PROJECTS

Covid Vaccine management system

Tools: *HTML, CSS, PHP, SQL.*

- Built a covid vaccine management system, which helps to manage the vaccination slots and inventory. It provides a separate interface to patients, hospital and the admin of the application, used the XAMPP software to locally host the application. It addresses real time problem, which can be solved by using the software along with a user-friendly interface.

Multi - Player Quiz

Tools: *C Programming, Linked lists, structures, sorting techniques.*

- Allows users to play a quiz with multiple-choice questions. Questions can be loaded from files based on difficulty levels (easy, moderate, difficult) or added manually. Players input their names, answer questions, and scores are tracked. A leaderboard is displayed at the end, showing players' scores in descending order. The program runs in a loop, offering options to learn how to play, run the quiz, or exit.

EXPERIENCE
